Snapshot report

Under the agreement for 2014
Condamine State School received

$6,350

Our full 2014 agreement can be found here: Condamine State School GRG agreement

Our school strategies are on track to meet or exceed our targets

During 2014, we have focused on maximising the benefits of this funding for our students. After reviewing our Great Results Guarantee agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our strategies to ensure that every student succeeds.

Strategies implemented include:

- Employ an experienced early childhood teacher each Thursday morning between 9:00am – 11:00am to run and manage a Playgroup program that enables students to gain the necessary skills to be successful in their transition from non-schooling to formal schooling.
- Implementing a weekly playgroup for students 0-5. We have had 4 to 10 students attending each week. This has enabled development of socialization skills, learning school routines, good community interaction, development of language skills and fine and gross motor activities.
